Care Giver Agreement

Our Philosophy:

The Sammy's Seedlings Preschool Program at the Desert Botanical Garden is a place where children and adults come together to discover the wonders of the Sonoran desert. We strive to provide a high-quality introduction into the Life Long Learning program at the Desert Botanical Garden that is both educational and engaging. Our ultimate goal is that Sammy's Seedlings participants will begin to develop a strong sense of place and connection to their local environment and will see themselves as stewards of their desert home.

What you can expect from us:

- A safe and loving environment where children and adults can learn about the desert together in a fun, interactive way.
- Knowledgeable and caring teaching staff and volunteers.
- An "open door policy" where participants can feel comfortable to provide feedback and suggestions about the program.
- Classes that will begin at the scheduled time.

Our expectations:

- Participants will arrive up to 15 minutes before class begins so that they have time to enjoy the Discovery Centers and so that class may start on schedule.
- All children and adults will follow class rules to: 1) Stay on the trail, 2) Do not touch the plants (unless the teacher says it is OK), 3) Use our walking feet, 4) Eat snacks only in the classroom, 5) Have fun!
- Adults are engaged and participate alongside their child throughout the program. *Underage siblings are not allowed in the class* as they can be a distraction to the group and take away from the caregiver's quality time with the child that is enrolled in the program.
- Adults are responsible for disciplining their own child and minimizing disturbances during the class. This includes silencing all cell phones and intervening if their child is repeatedly disruptive. If a child continues to disrupt the class, the caregiver may be asked to remove the child until they are ready to be part of the group.

Please sign and date below to acknowledge that you have read and will abide by the above Caregiver Agreement for the Sammy's Seedlings Preschool Program at the Desert Botanical Garden. Thank you for helping us create a fun and meaningful learning environment where everybody can enjoy the program!
